6 **PLEASE TAKE FURTHER NOTICE THAT** a detailed list of all services rendered

1 PLEASE TAKE FURTHER NOTICE THAT, the Narrative is set forth below:

2 **Project Billing and Narrative Statement of Services Rendered**

3 In accordance with the Interim Fee Procedures Order, KTB&S classified all services
4 performed for which compensation is being sought into categories, as contemplated in the
5 Guidelines. KTB&S attempted to place the services performed in the category that best
6 relates to the service provided. However, because certain services may relate to one or more
7 categories, services pertaining to one category may, in fact, be included in another category.
8 KTB&S has established the following billing categories:

16 **1. Case Administration - 010.**

17 As a chapter 11 debtor, PrediWave is subject to a myriad of administrative and
18 procedural requirements imposed on a debtor in possession by the Title 11 of the United
19 States Code (the "Bankruptcy Code"), the Bankruptcy Rules, the Bankruptcy Local Rules for
20 the Northern District of California (the "Bankruptcy Local Rules") and the Guidelines of the
21 Office of the United States Trustee for Region 17 (the "UST Guidelines"). KTB&S
22 coordinates PrediWave's efforts to fulfill all of these and other obligations in a timely manner.
23 This category also includes, among other things, KTB&S's discussions with the Court's staff
24 and numerous administrative tasks which do not clearly fit into one of the other ten activity
25 categories.

1 with PrediWave on certain of PrediWave's debts, so PrediWave needed to make sure that
2 those entities pay their share of those liabilities to the extent they are legally required.
3 PrediWave also needed to make sure that the Affiliate Debtors satisfied their own liabilities,
4 so that those claims were not also asserted against PrediWave.

5 In effort to avoid the appointment of a trustee in the cases of the Involuntary Debtors
6 (which would likely have delayed distributions to third party creditors, with no guarantee that
7 they would be paid in full and thereby subjecting to the Debtor's estate to additional exposure
8 on claims against the Involuntary Debtors), PrediWave (with KTB&S serving as its counsel),
9 the Affiliate Debtors and New World agreed to and this Court entered an order approving the
10 Affiliate Case Stipulated Order¹ which, among other things, provided for the prompt
11 adjudication of disputed claims and payment in full of allowed claims (other than New World,
12 pursuant to its agreement on subordinate its claims), the appointment of Vincent Lin as the
13 responsible individual and XRoads to serve as the chief financial officer for the Affiliate
14 Debtors, and eventual dismissal of the Affiliate Cases. KTB&S spent time analyzing,
15 addressing and conferring with the Debtor and its affiliates (including the Involuntary
16 Debtors) and negotiating with New World, Vincent Lin and the Committee on the form and
17 substance of the Affiliate Case Stipulated Order and on matters relating thereto including,
18 without limitation, the implementation thereof.

19 In connection with the Debtor's duties to provide administrative and other services to
20 its affiliates, KTB&S also advised and assisted the Debtor in fulfilling its duties to render
21 these services, which included preparing information for the Affiliate Cases on behalf of the
22 Affiliate Debtors. During the Application Period, KTB&S advised PrediWave on matters
23 relating to the preparation of schedules and statements of financial affairs for each of the
24 Affiliate Debtors.²

25
26 ¹ The Affiliate Case Stipulated Order shall mean that certain "Stipulated Order By and Among The Debtors and New World TMT
27 Limited for (1) Filing Creditor Matrix for Affiliate Debtors, (2) Filing Schedules and Statements of Financial Affairs for Affiliate
28 Debtors, (3) Setting Proof of Claim Bar Date for Affiliate Debtors, (4) Establishing Cash Administration Procedures for Affiliate
Debtors, (5) Subordination of New World's Claim to Allowed, Non-Insider Claims, (6) Providing for Setting Reserve and Disputed
Claim Resolution Procedures, and (7) Appointing Professionals for Affiliate Debtors" entered on February 22, 2007 [Docket No.
20 in the Affiliate Cases].

² While the Debtor does not object to having its estate pay the administrative costs it has incurred in connection with the provision of

1 Finally, during the Application Period, KTB&S also spent time analyzing, addressing
2 and conferring with the Debtor (and its Japan-based counsel) on matters relating to the wind-
3 down of its office and operations in Japan, including, without limitation, on matters relating to
4 unemployment benefits for its former employees and compliance applicable Japanese laws.

5 General Business Operations - Total hours for February: 72.50

6 Total fees for February: 42,628.00

7 **4. Fee/Employment Applications - 040.**

8 Time billed in this category also includes services performed by KTB&S in connection
9 with communicating with other estate professionals concerning the procedures set forth in the
10 Interim Fee Procedures Order and attending to any related inquiries. Time billed in this
11 category also includes time spent by KTB&S in assisting XRoads in the preparation of its
12 monthly fee notices and advising it on matter relating thereto.

13 During the Application Period, KTB&S also spent time working with Latham &
14 Watkins LLP ("Latham") and Allen & Overy ("A&O") on matters relating to the preparation
15 of final fee applications in this case, and addressing matters relating thereto.

16 KTB&S also spent time preparing its seventh monthly fee application for the period
17 from January 1, 2007 to and through January 31, 2007 (the "Seventh Monthly Fee
18 Application"). Different from most chapter 11 cases, here the estate's professionals are
19 required to spend a meaningful amount of time preparing monthly fee applications due to
20 certain provisions in the Interim Fee Procedures Order which require, among other things, that
21 applicants include in monthly fee applications (and not just in interim and final fee
22 applications) a narrative discussion of the various projects undertaken and tasks performed by
23 the applicant categorized by subject matter (as contemplated in the Guidelines). KTB&S filed
24 and served the Seventh Monthly Fee Application (and notice thereof) and did not draw any
25 objections to the payment requested therein.

26
27 these affiliate services (or, at least, not at this time), it may assert an administrative claim against the Affiliate Debtors for some or
28 all of the administrative services it has performed in connection with the Affiliate Cases. Relatedly, the Affiliate Case Stipulated
Order contemplates that the Affiliate Debtors intend to seek court authority to employ KTB&S as their reorganization counsel and,
in connection therewith, on February 22, 2006, KTB&S began recording its time for matters relating to the Affiliate Debtors under
501 and 502, all of which (at this time) is being billed to the Debtor.

1 Fee/Employment Application - Total hours for February: 18.60
2 Total fees for February: \$10,044.00

3 **5. Claims Administration/Objections - 070.**

4 During the Application Period, time billed to this category includes time spent by
5 KTB&S in analyzing, addressing and conferring with the Debtor on issues relating to New
6 World's motion for the establishment of an administrative claims bar date in the case. In
7 addition to spending time drafting an opposition and conferring with Latham on matters
8 relating thereto, KTB&S, on behalf of the Debtor, took the lead in negotiating and
9 documenting a stipulated order wherein Latham and A&O would be required to file final fee
10 applications no later than February 26, 2007, and New World would agree to withdraw its
11 motion. In addition to securing Latham and A&O's commitment to file final fee applications,
12 KTB&S negotiated with New World the substance of said stipulation. The Court signed and
13 entered the stipulated order, and thereafter on February 26, 2007, Latham and A&O filed their
14 first and final fee applications.

15 Claims Administration/Objections - Total hours for February: 6.00
16 Total fees for February: \$3,240.00

17 **6. Asset Analysis And Recovery - 080.**

18 During the Application Period, time billed to this category mainly includes time spent
19 by KTB&S in analyzing, addressing and conferring with the Debtor on issues relating to the
20 possible liquidation of certain assets of the Debtor. Among other things, KTB&S worked
21 with XRoads in the preparation of a summary / analysis of various bids by liquidators to sell
22 such assets, which was then transmitted to New World.

23 Asset Analysis and Recovery - Total hours for February: 2.30
24 Total fees for February: \$1,408.50

25 **7. Plan/Disclosure Statement - 100.**

26 During the Application Period, time expended in this category relates mainly to
27 KTB&S advising PrediWave on select plan and exclusivity issues. KTB&S also spent time
28 addressing matters concerning exclusivity with counsel for the Committee.

1 Plan/Disclosure Statement - Total hours for February: 1.10
2 Total fees for February: \$594.00

3 **8. Litigation - 120.**

4 This category contains services rendered by KTB&S in connection with analyzing,
5 addressing, and conferring with the Debtor, its affiliates, and New World on various litigation
6 matters arising out of or otherwise relating to the commencement and administration of the
7 Affiliate Cases including, without limitation, litigation arising out of New World's motion to
8 dismiss the involuntary petitions filed against the Affiliate Debtors. In addition to preparing a
9 an opposition to the motion, KTB&S attended a hearing on the motion to dismiss. On
10 February 7, 2007, the Court denied New World's motion to dismiss the involuntary
11 bankruptcies, and gave the interested parties two weeks to avoid the appointment of a trustee
12 in the Affiliate Cases if they were able to an agreement (acceptable to the Court) on the
13 payment of affiliate claims and eventual dismissal of affiliate cases. As discussed above in
14 activity category 030, the parties were able to reach an agreement, as the Court did approve
15 the agreement having entered the Affiliate Case Stipulated Order on February 22, 2007.

16 Litigation - Total hours for February: 71.70
17 Total fees for February: \$43,573.50

18 **9. Real Property Leases - 200.**

19 This category serves as a "catch-all" for all services rendered by KTB&S in connection
20 with PrediWave's non-residential real property leases. Time expended in this category relates
21 mainly to KTB&S conferring with counsel for one of the Debtor's landlord, Sutter, on matters
22 relating to the Debtor's continued occupancy and performance of obligations under the lease.

23 Real Property Leases - Total hours for February: .1
24 Total fees for February: \$54.00

25 **10. Affiliate Operations / Dismissal - 501.**

26 This category serves as a "catch-all" for all services rendered by KTB&S in connection
27 with PrediWave's provision of administrative and other services to the Affiliate Debtors as
28 mentioned in activity category 030. As a chapter 11 debtor, PrediWave is subject to a myriad

1 of administrative and procedural requirements imposed on a debtor in possession by the
2 Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules and the UST
3 Guidelines. KTB&S coordinated PrediWave's efforts to fulfill all of these and other
4 obligations of the Affiliate Debtors. Also, KTB&S spent time preparing a form of stipulated
5 order which, among other things, would make certain orders entered in this case applicable to
6 the Affiliate Cases. Finally, time expended in this category also relates to KTB&S addressing
7 matters relating to the Affiliate Debtors' intention to seek Court authority to employ it,
8 including running conflict checks and preparing a draft engagement letter.

9 Affiliate Operations / Dismissal - Total hours for February: 13.30

10 Total fees for February: \$7,367.00

11 **11. Affiliate Claims - 502.**

12 During the Application Period, time expended in this category relates mainly to
13 KTB&S working with the Debtor, Affiliate Debtor, and New World on matters relating to
